

AI Extension

Use Vibe coding to Generate test cases in Playwright/typescript

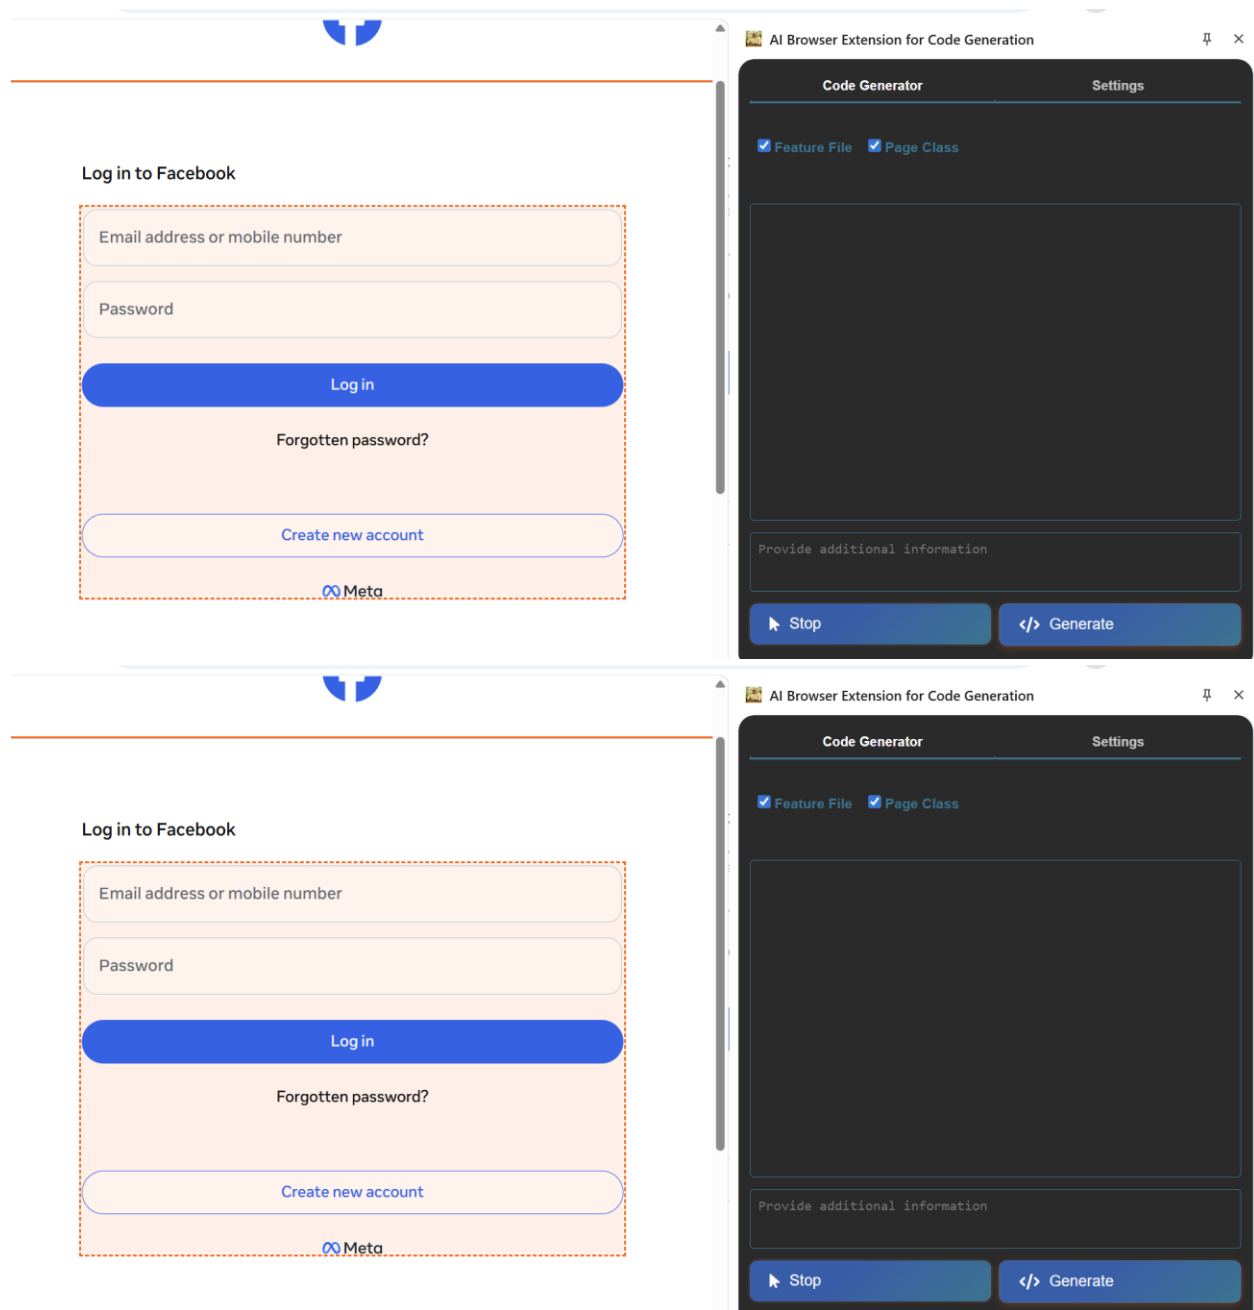

The screenshot shows a web browser window with the Facebook login page on the left and an AI Browser Extension for Code Generation sidebar on the right.

Facebook Login Page:

- URL: facebook.com/home.php
- Facebook logo
- Log in to Facebook
- Email address or mobile number
- Password
- Log in
- Forgotten password?
- Create new account
- Meta

AI Browser Extension for Code Generation:

- Code Generator
- Settings
- Supported Language: TypeScript
- Browser Engine: Playwright
- Select LLM Provider: Groq
- Select Model: Open-ai-20b
- Groq API Key: [Redacted]
